SUMMARY

I am a qualified professional with over 10 years of instructional and administrative experience seeking opportunities to apply my natural aptitude for problem-solving, attention to detail and love of learning to creating and coding awesome web applications!

EXPERIENCE

6TH GRADE MATHEMATICS INSTRUCTOR

Florida Virtual School

2020 - Present

- Responsible for providing direct and meaningful communication, feedback, instruction and technical support for a classroom of 80-155 6th Grade math students and their families
- Utilized HTML/CSS to enhance plain text grading feedback and embed images, videos, and links to maximize engagement and user experience
- Employed strategic time management strategies to maximize efficiency in a fully remote work environment
- Utilized Google Slides Embed feature to create individualized pace plans for tracking assignments and work for each student

6TH GRADE MATHEMATICS INSTRUCTOR

Lake County Schools: Windy Hill Middle School

2017-2020

- Anticipated user experience and revised projects and products as needed to decrease customer friction and regularly created and built new resources to meet the needs of multiple learning modes
- Established and maintained a data management system for individual grading/behavior management, team initiatives, and timely and targeted communication with all stakeholders
- Lead monthly full-day instructional strategic planning sessions for the 6th Grade Math Department and developed and delivered continuing education credit presentations on District-Wide professional development days.
